School Challenge Toolkit

## Attention: Student councils, leadership clubs, and parent councils!!

Hello,

Thank you for raising your hand to help end hunger in our city by mobilizing your school community to participate in the CBC Sounds of the Season School Challenge.

Hunger and food insecurity in the GTA continues to climb, with no sign of slowing down. Month after month, food bank visits continue to shatter records. We are experiencing a crisis. And we need your help.

**Your support will help keep food bank shelves full this holiday season.**

This Toolkit is designed to help you organize a food drive in support of **Food Bank of York Region** as part of CBC's Sounds of the Season School Challenge!

Feel free to get creative in a way that works for your school and school community.

Please do not hesitate to reach out to us if you need any help!

And remember - the school that collects the most non-perishable food items by November 30 (proportional to its student population) will win a pizza lunch for the entire school courtesy of Pizza Pizza AND an assembly visit in January with a CBC VIP guest.\*

If you have any questions about running your food drive, please contact Clay Cudmore at [logistics@fbyr.ca](mailto:logistics@fbyr.ca).

Thank you in advance for your generous support... and good luck!

Did you know that nearly 1/3 of food bank clients are children?

*\*See page 9 for details.*

Toolkit

## Benefits of getting involved

1. Help your neighbours who experience hunger and food insecurity
2. Demonstrate compassion and empathy.
3. Become a leader in your school.
4. Inspire friendly competition and creativity.
5. Learn to work as a team.
6. Increase school spirit.
7. Make a difference in your community.

Running a school-wide food drive in support of Daily Bread Food Bank supports the Ministry of Education's strategies for student success, equity, social citizenship, and character education.

## Why we need your leadership now

- Highest Inflation we've seen since 2008, and Food Pricing has skyrocketed.
- Toronto & the GTA has the most expensive housing costs.
- We've got more refugees coming in for help, and a steady stream of clients accessing our network's food programs on a regular basis.
- We've begun onboarding schools into our network to support vulnerable school-aged children and their families with nutritious food relief in and out of school.

## Tips for Success

Here are a few tips you might want to consider when planning your food drive:

**Set a start & end date.** We recommend running your food drive for 1-2 weeks. Give students enough notice so that they can bring in their donations on time.

**Set a plan and goal.** Goal setting is a great way to predict the impact that you are going to have in the community. Set a goal for the school and develop a plan to achieve – or even surpass – it! Check on your progress regularly and update the school community along the way.

**Get competitive!** Generate excitement through an intra-school challenge. Give each class a goal. Have classes or grades compete against each other for bragging rights – or even an incentive prize.

**Encourage empathy.** Holding a food drive at your school offers a teachable moment in empathy. Encourage students to imagine what it would be like to go a day without food. How would they feel going to bed hungry or having to focus in class on an empty stomach?

**Give students a chance to lead.** Assign food drive ambassadors in each class and help cultivate the next generation of social impact leaders.

**Spread the word.** Demonstrate your school's leadership and inspire others to help end hunger in your community and keep the campaign top-of-mind. Spread the word during your school's morning announcements. Share a letter with parents. Share posters on your school's website and social media accounts.

**Engage your entire school community.** And neighbours too! Consider creating a flyer for your school and dropping them off at homes nearby. You can invite them to drop donations off during school hours and/or leave a bin outside the main entrance. Alternatively, you can enlist some volunteers to pick up bags from neighbours' front porches on a Saturday or Sunday morning. You can also download this flyer [LINK] and add details. Consider promoting your food drive to neighbours in your local community on apps like Nextdoor.

**Say thanks.** After your food drive is complete and we've shared your final weight, be sure to thank your school community and celebrate your collective efforts.

*"Somethings that helped a lot was doing announcements to the entire school every morning to remind them about the food drive. Also, going to their classes and checking up on their progress was very helpful. We also decided to add a prize for the classes that brought in the most items, and this really encouraged them to continue donating their items. We gave each class a goal and many classes reached their goal as well."*

## Amplify your drive using social media

Engage with your fellow students and your school community online.

**IDEA:** Create a social media plan, prepare content ahead of time to be scheduled and posted by a teacher or a member of your parent council.

**IDEA:** Post about your drive on relevant community platforms like Nextdoor.

---

Follow York Region's social accounts and tag us in your content so we can share your campaign with our followers. We love seeing photos of your ideas and events, so please share them with us.

## Sample Letter to Parents

### We're participating in the CBC Sounds of the Season School Challenge!

[Date]

Dear parents and caregivers,

Did you know that one third of food bank clients are children?

With the rapidly rising cost of living, parents experiencing poverty spend most of their income on housing and utilities, leaving as little as \$8 per person per day to afford food and basic needs.

When children experience hunger, they're at higher risk of developing severe health conditions, behavioural issues, cognitive and physical impairments, and poor grades.

Without enough food, children simply do not have the nutrients or energy they need to learn and grow.

**That's why our school will be participating in the CBC Sounds of the Season School Challenge and hosting a food drive in support of Food Bank of York Region.**

If our school collects the most food (proportional to our student population), we will **win a pizza lunch for the entire school courtesy of Pizza Pizza and an assembly visit in January with a CBC personality.**

Most needed non-perishable foods include:

- Rice (less than 10lb bags)
- Flour (less than 10lb bags)
- Cereal (hot or cold)
- Canned meats, fish or vegetables
- Pasta & pasta sauce
- Beans (dried or canned)
- Soups or stews flower, etc.)
- Cooking oil
- Peanut butter
- Apple sauce
- Jam or jelly
- Juice boxes
- Meal replacements

We are counting on the entire school community to come together. We hope you will join us. Thank you in advance for your generous support.

Sincerely,

[Teacher/Food Drive Coordinator Name]

## Logistics

When you are planning your drive, remember to give yourselves enough time to get your donations back on time.

**REMEMBER: All donations are due back to Daily Bread by 3:00 pm EST on November 30, 2023, to qualify for the Challenge.**

To arrange to use our food collection bins, and to arrange bin pick-up, email us at [logistics@fbyr.ca](mailto:logistics@fbyr.ca) or call (437) 317-3702.

We offer pick-ups for donations of 200 lbs. or more with a minimum of 48 hours' notice.

You can also drop off your donations at our warehouse at 8201 Keele Street, Units 5-6, Monday to Friday from 8:00 am - 2:30 pm.

Toolkit

## \*The Mice Type – aka the Rules

The Sounds of the Season School Challenge is open to all elementary and secondary schools (Catholic, Public, and Independent) in Brampton, Durham, Mississauga, North York, Toronto, and York.

The winning school will be determined by the total amount of food collected proportional to the student population at the school.

The food must be received by your local food bank no later than 3:00 pm EST on November 30, 2023.

The winning school will be announced by the CBC on December 8, 2023.

The Pizza Lunch prize for the winning school includes: two slices of pizza and one juice or water per student, teacher, and administrative staff. The Pizza Lunch must be coordinated with Pizza Pizza and Daily Bread Food Bank at least two weeks prior. Pizza selection is limited to two toppings per pizza. The prize must be redeemed by January 31, 2024. The value of the prize is based on the student population of the winning school.

The date of the assembly visit in January will be determined in consultation with the winning school, Daily Bread Food Bank, and the CBC.

The prize cannot be substituted.

# Thank You for Your Leadership and Generosity.

Together, we can ensure that our neighbours experiencing hunger can access the nutritious food they need this holiday season.

If you, or anyone you know, needs access to food, please do not hesitate to reach out so that we might help connect you to local food programs.
